

CONTRACT DECORATING & PACKAGING

Primary Labeling	Tamper Evident	Multi-Packs
Decoration of Glass, Plastic, and Metal Containers	Variety Pack	Shrink Bundling - Clear & Registered
Glass Repacking Services	Cartoning & Case Packing	POP Displays & Kitting

Since 2009, Tripack has provided shrink sleeve packaging services. This service has been a great fit for prospective customers who are not ready to invest in a shrink sleeve system of their own and would like to outsource their packaging needs to get started. Customers have the opportunity to experience working with Tripack's team and seeing their product run on one of our automated packaging lines.

- 8 automated decorating and packaging lines with the capability to run tamper evident, primary, full body, and multi-pack labels
- Container sizes from 1" to 10" in diameter
- Capability to label unique product shapes
- Capability to run filled and unfilled products
- FDA & GMP Certified, DSP Licensed
- Packaging material sourcing
