

TRIPACK

Shrink Labeling Systems & Can Decorating Services

Craft Can Labeling

TRIPACK shrink sleeve packaging solutions offer new, innovative ways to label cans. Avoid the high volume minimum orders or the required warehouse space in simply storing truckloads that come with pre-printed cans.

Make your product stand out with a full body billboard of high impact graphics, and colorful shelf appeal.

PLANNING

Tripack can help you from concept to shelf with shrink sleeve graphic design assistance, prototype mock-ups, sales samples, small test runs, and just-in-time inventory of your packaging needs.

Let us show you what we can do to make your beer look its best, representing your brand and product to its maximum potential.

BENEFITS OF SHRINK LABELING

- Small quantity orders
- Just in time labeling
- Small batch/ Seasonal brews
- Reduced inventory space requirements

High impact printing technology

- Matte and Textured Finish
- Metallized ink
- 100% Can Coverage

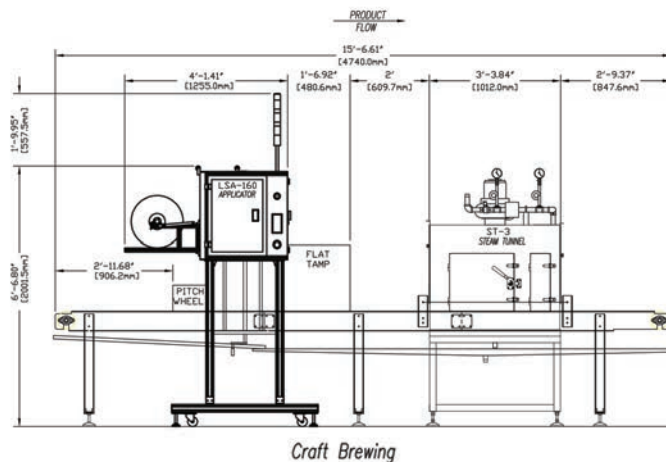

Option 1
