

CASE STUDY: BEVERAGE REPACK & CRAFT CANS

A co-packer needed a rapid turnkey solution for brites and sleeved cans.

CHALLENGE #1:

Availability of brite inventory
and ability to sleeve both
filled and unfilled cans

CHALLENGE #2:

Previous vendor provided little
communication on scheduling
and project status

CHALLENGE #3:

Current machinery out of
commission - co-pack assist to
meet current order deliveries

SOLUTION:

- Our relationships with label suppliers provided quick turnaround
- Bonded to sleeve filled and unfilled containers
- Tripack's turnkey craft can service offers speeds up to 500PPM
- Dedicated to providing accurate and timely project updates and meeting required delivery dates
